Panthers are County Champs in '16!

PANTHER BASEBALL

**WEAR THE BLACK...
BRING THE NOISE!!!!!!!**

Coach Blackburn Day May 3, 2016: A celebration honoring former Eastwood coach and Pastor of [Resonate Church](#), Davey Blackburn ([@DaveyBlackburn](#))

Davey coached baseball at Eastwood from 2013-2015. His church, [Resonate Church](#) began in the Eastwood LGI back in 2013 and is now is being held at [Northview Middle School](#) each Sunday. Davey has a passion to shepherd the Washington Township community and the city of Indianapolis through the struggles of the world today. His love of the game of baseball and his dedication to our Eastwood families made him a great coach for our boys. It was our sincere pleasure to host Davey and his son Weston at our home game vs. the Northview Falcons on May 3, 2016, to throw out the game's first pitch!

Davey and Weston, you will always be a part of the Eastwood Baseball Family! **#NothingsWasted #GraceForIndy**

Taking Care of Your Pitching Arms & Bodies - Use [R.I.C.E.](#)

Rest

Rest from any activity that increases your pain. It is also important to avoid activity that causes an increase in pain or ache after that activity with rest (such as the following night or morning). Ideally lie down in a comfortable position to minimize swelling and further damage.

Ice

Ice the injured area for 20 minutes every 2 hours. Use crushed ice or an [ice pack](#) wrapped in a damp tea towel.

Compression

Compress the injured area with a [compression bandage](#) to minimize swelling. If on applying a compression bandage you experience pins and needles, numbness or ANY color change in your extremities (e.g. foot or hand), the bandage is too tight and is cutting off your circulation. It must therefore be loosened or taken off completely. Remove your compression bandage for sleeping.

Elevation

Elevate the injured area above the level of your heart (provided this does not cause an increase in pain) for as long as possible to minimize bleeding and swelling.
